~~Thank you for your enquiry about the Club. I enclose an Application Form~~

Please complete the application form and bring it with you when you come to the pool for the first time and give it to the Swans Instructor who is in charge at the poolside. Please do not send it to me.

If any of your family will be also swimming you need to complete their details too. Please note that we only want the names of people who will be going in the water. We don't need the names of those who will sit on the poolside.

Please contact us and let us know the intended date of your first visit.

If you need help in the changing room you must bring a helper with you. Our Instructors will help you on the poolside and in the water.

The enclosed Information Sheet will tell you something about the Club. If you would like any further information do not hesitate to contact me.

Yours sincerely

Secretary
