Halliwick Course—open to all our helpers

(Halliwick is the approach that Swans uses to teach swimming)

Oxford Swans will be holding a Halliwick Foundation Course over 2 weekends, 9th & 10th and 16th & 17th November 2019. The course times are 9.00 – 5.30 each day.

The Course will be held in the North Oxford Association Community Centre, Diamond Place, Summertown, Oxford and we will use the Ferry Leisure Centre Pool for the practical sessions.

The Course will be FREE for Swans members (for others the fee is £450.00) but a £200.00 deposit will be required, which will be reimbursed following attendance of the whole course. If you have any difficulties regarding the deposit, please speak to Hazel at the Saturday session or Ann at the Tuesday session.

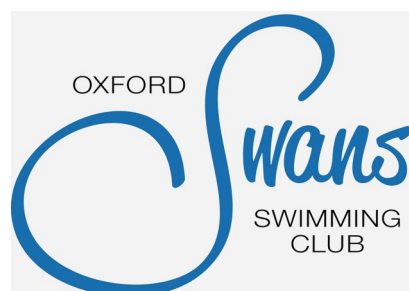

For further information and an application form please contact Ann Gresswell – ann_gresswell@hotmail.com.
